

STEAM / Marine Science and Creative Thinking Course

2019美国YCIS硅谷校区 国际学生夏令营

2019 YCIS Silicon Valley International Student Summer Camp

YCIS Silicon Valley Campus offers a 2-week summer program for international students. Our STEAM and Marine Science program are all based at the UC Berkeley's Lawrence Hall of Science. 耀中國際美國矽谷校區為國際學生提供為期2周的暑期課程，我們的STEAM及海洋科學課程由加州大學伯克利分校設計

Students will live with local native speakers in a host family to experience local life and learn about American culture. 每個學生都會被安排在美國當地家庭中住宿及生活，這對於他們來說是非常寶貴的经验，能快速適應當地環境，更快的了解美國風土人情，深度體驗美國生活方式與文化

International students are introduced to STEAM and Creative Thinking hands-on learning through projects including solar power, robotics, 3D printing and laser cutting and marine science. Students will improve English communication skills while learning about American culture, government and the history of Silicon Valley entrepreneurs. 國際學生在夏令營將會學習STEAM科學技術藝術課程和創造性思維，包括太陽能、機器人，3D打印，激光切割及海洋科學。學生將會提高英語溝通技能通過學習及關於美國文化，政治及矽谷創新歷史

Capstone experiences of the program include tours of top American universities (Stanford and UC Berkeley) and high-tech Silicon Valley companies like Google, Apple, Facebook, Intel, etc. 學生有機會參觀全美最頂尖的學府（斯坦福大學、伯克利大學），以及世界頂尖科技中心——矽谷高科技公司（谷歌、臉書以及蘋果等）

The summer program is hosted on the campus of YCIS Silicon Valley in Mountain View, California. Weekend trips include exploring the city of San Francisco, fantastic tech and science museums, and charming Santa Cruz beach and boardwalk. 耀中國際矽谷校區位於加州山景城，周末將有機會探索美麗的舊金山，精彩的各類科技博物館以及迷人的Santa Cruz海灘和百老匯大道等

We look forward to welcoming you!
